Website Design Team Forming

Salem is looking for a few talented and interested people to revise and re-design our website. If you have artistic talent, if you have website experience, or if you would like to learn about building and maintaining websites, contact Les Simons or Regina Reed. No experience required (so long as *some* of us have experience), but a computer with internet access is vital. We would like to get started in February, thinking about and plotting our tasks to renew its vigor and make www.SalemLutheranGlendale.org more newcomer friendly.

Upcoming Show "Blue Sky Divide" FEB. 10

Matt Braaten and Paul Boruta had a great album launch event Jan. 21st! THANK YOU to those who made it out for the show, it meant a lot to them. Their next show will be at **Room 5 in Hollywood** on Sunday, Feb. 10. For those who don't know, Room 5 is perhaps the best acoustic lounge in Los Angeles so Matt and Paul are super jazzed to play there. Check out <http://www.room5lounge.com/> for directions or other information. **BSD will hit the stage at 9 PM sharp ~ only a \$6 cover charge.** Sorry, no one under 21 will be admitted.
