Marcia Potter is organizing information and data in ways that will allow us to grow our ability to submit for grants and write communications. She is in need of a few VOLUNTEERS to work with her on creating some tracking tools and databases. If you are willing to contribute a few hours of time each month and have basic skills in **MS Office Excel or Access**, please contact Marcia at [mpotter@syntactsolutions.com](mailto:mpotter@syntactsolutions.com).

## **Thank you from Music Ministry**

The Spring Choir Festival and Organ Rededication on May 18 was a success! Over 250 people were in attendance and over \$1,100 was raised for Schola Cantorum, our children's choir. Many thanks to all who contributed to this glorious afternoon of music.
