Speed

Women of ELCA Thankoffering -- January 11 at both services

These gifts go to support programs of the Women of the ELCA, emphasis on women and children in crises related to poverty, health/AIDS and domestic violence, as well as the worldwide ministries of the Evangelical Lutheran Church in America. All are welcome to participate in this giving of thanks.

New Year's Resolution...QUILT!!!

The Quilt Sunday in October was most impressive with all the quilts hanging in the sanctuary and the personal kits for children lined up below the pulpit. But all those quilts and kits didn't just happen. Women are needed to assemble quilts, donate designated items for the kits each month and to assemble the kits. We offer two opportunities to assemble the quilts: the 1st Wed. of each month at 9:30 am and the 4th Mon. of each month at 6:00 pm (hours are flexible depending on your work schedule). Participating in the quilting ministry will give you fun, fellowship and new friends while creating something that benefits families in war torn third world countries. Make this a New Years Resolution and come join us! Question, contact Edith Close-Vaziri.
