

SALEM LUTHERAN SCHOOL

Ghada Huleis, Principal

At the end of the school year, Salem will be bidding a fond farewell to two of its teachers. We ask for God's blessings on these two wonderful teachers who have given so much to our school and children as they move on to new chapters in their lives:

♥ Mrs. Pat Schwartz will be retiring after teaching at Salem for 9 years. After she leaves in June, Mrs. Schwartz will be having knee replacement surgery and moving permanently to her vacation home in Idyllwild. Her heart is there because she loves to hike and will be doing lots of that with her new knee!! In addition, she plans to substitute teach for the Morongo Indian Reservation in Anza and for the local school in Idyllwild. She is also planning to continue to enjoy her six grandchildren and travel to New Zealand.

♥ Mrs. Heidi Wilmsen, our second grade teacher, will be moving to the San Dimas area to be closer to her husband's work and to purchase a home. Before returning to the workforce, Mrs. Wilmsen plans to enjoy some leisure time decorating her new home, swimming and shopping.

Science Fair: Our Science Fair will be taking place on Tuesday, May 11, during our annual Open House. This year, we are asking our students to select a project that will present what they have learned this year at school. Participation in grades 3-6 is mandatory, and all projects will be graded by the classroom teacher. All students will be receiving a Science Fair participation ribbon. Students in grades JuniorKindergarten through Second Grade will be presenting class projects guided by their teachers.
