Balck will have copies of the books for purchase. Please contact her to reserve a copy or for questions.

Multi-Generational Quilting Experience

Back by popular demand, July 25th & August 1st between services, the WOS will present a video on quilts and kits we send to Lutheran World Relief. We will have a quilt you can help prepare and kits to assemble. You will see how easy it is to make a big difference in the lives of the people who receive the quilts and kits. Those who attended last year will never feel the same about our quilts & kits program. All ages welcome!!
