

COUNCIL HIGHLIGHTS – September 14, 2004

Carol Sholer, Council Secretary

- **Lock Up** remains a concern. We're looking for a number of good men. Can you volunteer to check the property for a week? It needs to be done in the evening after activities are over. Contact Cheryl Punzalan.
- Welcome to our three new teachers at Salem Lutheran School: Ms. Hudson, Ms. Stradiotto and Ms. Grimes. They assist with educating our 187 students.
- Congratulations to Miss Mary who has been with the nursery for one year! Have you stopped in to see the fabulous murals painted on the walls by Gabrielle McGraham?
- Your Church Council took an extended field trip around the Salem campus, noting improvements and continued need for improvements, as well as learning how to lock up our facilities.
- Council discussed the end of the year budget figures, including the deficit.
- Thursday morning Bible class is topical and the class members choose the topics. It keeps Pastor Banke on his toes and a very good instructional time is had by all!
