

SALEM LUTHERAN SCHOOL

Ghada Huleis, Principal

Life Touch Photography has acquired Arabesque Photography and will be taking our students' pictures this year. We are very impressed with the services they offer, including a free ID card for parents to keep in their wallet in the event they are separated from their child. Individual pictures will be taken in free dress on **Friday, October 1** and class pictures in uniform are on **Tuesday, October 5**.

We are pleased to offer an array of assemblies to our students each year. The Music Center Education Division in Los Angeles has an extensive selection of artistic performances from which to choose and we have selected a variety of shows to delight your child. This month, students will enjoy jigs and reels from the Scottish and Irish Highlands by **The Tinkers on Tuesday, October 12, at 8:45 am**. Parents are invited to attend as well.

Reformation Chapel at 8:45 am on Wednesday, October 27 – More than 500 years ago, Martin Luther's writing, preaching, teaching, music and personal efforts helped to establish a reformed Christian Church in Europe. Scriptures were translated into the languages of the people, hymns were written to familiar tunes, education for the general public was established and encouraged, and personal responsibility for knowing one's own spiritual rights and welfare became evident.

Mrs. Huleis welcomes parents to her monthly "**Chat with the Principal**" which begins on **Friday, October 1, at 8:45 am in the Library**. This is your opportunity to ask questions, express concerns or share information. This will continue on a monthly basis on the first Friday of each month.
