Please Welcome a European Student into your Home this Summer

Caring families in the SF Valley, Burbank/Glendale area are needed as volunteer host families. The dates of the EF Educational Homestay Programs, a non-profit organization, are **JULY 11 – AUGUST 7**. English-speaking Middle School and High School Students from Spain, Germany, Austria, France and Russia will bring their traditions and customs into your home. They are hoping to experience our casual Southern California lifestyle and culture. These wonderful teens will be here to attend classes and planned afternoon activities. Your family may participate in several of these events. We ask that you open your hearts and home to these students as you offer **ROOM, BOARD and Hospitality**. This will be a valuable chance for lasting friendships and some of the best memories of your life! For questions or more information, please contact **Lis Rodriguez at 818/244-4110 or via email at lis_amalia@hotmail.com**.
