

SALEM LUTHERAN SCHOOL

Ghada Huleis, Principal

Our Open House and Science Fair were a big success. Thank you to parents and staff who helped with the preparations. We collected a generous offering that will be donated to the **Door of Hope Ministry**. A special thank you also goes to **Mrs. Speer** who put on her usual spectacular choral performance that evening. Our teachers did an outstanding job preparing their classrooms and students for this special event and we are grateful to them for their efforts and patience during a very hectic week!!

A very exciting event will be occurring on **Thursday, June 1 from 10 am to 12:30 pm in the gym**. The fifth graders are using a government-funded program, "**We The People: The Citizen and the Constitution**," which culminates with an activity involving adult participants from the community to act as panelists who probe the students' understanding of various ideas and principles that are foundational to our government. Mr. Herney is excited that some very distinguished guests will be attending this event. Stay tuned for more details.

On June 7, our sixth graders will graduate in a dignified and moving ceremony in the church sanctuary. Friends and family of the school and congregation are invited. We are very proud to congratulate our 2006 graduates:

Jano Akillian	Gabriella Kovarik	George Pearman
Joelle Albarian	Timothy Kyung	Natalie Queally
Christapor Allahverdian	Daniel Lee	David Rhee
Sohail Ghaemi	Jack Lowery	Luke Vazquez
Adrian Hairapetian	Marla Macarr	Melissa Yeghiazarian
Charlotte Harrison	Alex Mangasarian	Jacob Kim

Our popular summer program will begin on Monday, June 12. We have lots of fun activities planned. Information has been sent home and is available in the School Office. Don't miss this great opportunity for your children to share in the excitement! This program is also open to community members.
