Book Club, 10:00 am, FH

Aug. 28

Evening Quilters, 6:00 pm, FSR

NO Morning Quilters, WOS Board, Martha Circle or Lydia Circle this month.

Women of Salem

SAVE the DATES! The Women of Salem are planning a **Fall Retreat at El Camino Pines October 14 – 15**. It will be a flexible event starting on Saturday morning running through Sunday lunch, but for those women who can't be away from home overnight, a group will be returning to Salem Saturday night after dinner. Look in the Sunday bulletins for more information on this fun and inspirational event!

Quilt Clubs: Please, the quilters need your help! You don't need sewing experience to participate.

There is a variety of different steps involved and it is a great social time too! You could cut out the squares, lay them out to design the quilt front, sew them together, hand assemble them with sheet backings and blankets for stuffing, pin them together, help with yarn ties or even take the quilt home to sew the final edge stitching. Come to an evening quilt session, **August 28, between 6-8 pm**. Call Edith Close-Vaziri for evening quilting. **Morning sessions will be dark until fall**. Call Nancy Burgio or Karil Drake for morning quilting questions.

Book Club: The book for August is *"Mama Makes Up Her Mind and Other Dangers of Southern Living"* by Bailey White. We will meet on **August 27, 10 am** in the Fellowship Hall. Please join us. Questions, call Jeanette Fristad.

Kits for Disadvantaged Kids: 12 x 14 inch sturdy cloth bags with cloth handles, box of crayons (16 or 24 count in the box only), pencils (#2 unsharpened with erasers). Please place in the basket in the narthex under the flower chart and mark your donation "KITS."

Recycle Suggestions: Women's clothing is collected for Walter Hoving Home in Pasadena (women off the street). Children's clothing and house supplies are collected for New City Parish. Feathers, beads, plastics - colored or odd shaped clear with no writing on them or sharp edges, caps on bottles, detergent scoops, bubble covers in packaging, film cases, lids of lipsticks - for Pilgrim Place in Claremont to create collages. Money from collages goes to retired ministers and missionaries. Please place in the basket in the narthex under the flower chart and mark your donation "RECYCLE." The quilters can always use old, but clean blankets and new darker colored sheets.
